# JUVENILE DELINQUENCY ANNUAL STATISTICAL REPORT 2005

#### INTRODUCTION

The lowa Juvenile Court Services Offices are issuing their third annual statewide report. The report is a compilation of information from the eight judicial districts' Juvenile Court Services Offices at key decision points in the Juvenile Justice System. Information contained in the report is entered at every Juvenile Court Office throughout the state by both Juvenile Court Services support staff and Juvenile Court Officers. The data is entered into the Iowa Court Information System (ICIS). ICIS data is then centralized at the Iowa Justice Data Warehouse (JDW), which is maintained by the Iowa Division of Criminal and Juvenile Justice Planning (CJJP).

This report would not be possible without the dedication of, and assistance from, all of the above-mentioned people. The eight Chief Juvenile Court Officers would like to take this opportunity to thank their staff for their dedication and their ability to enter accurate information on every youth referred to Juvenile Court Services; the staff at the lowa Court Information System, without whom this report would not be possible; and CJJP for their maintenance of the lowa Justice Data Warehouse and their support in preparing this document.

This report can be found in its entirety at the website maintained by CJJP.
